

Charlotte FAASTEAM presents:

Civil Air Patrol Pilot Training for Mountain Search Flying CAP Pilots Only

At this exclusive event we will be covering Search Procedures as well as Mountain Flying safety, aircraft performance, emergency procedures, mountain weather/winds and their effect on aircraft performance., and survival skills. After completion of ground school, each CAP Pilot will fly with a Mountain Fury certified CAP training pilot to perform actual search flights in the Blue Ridge Mountains of North Carolina.

NOTE: This event is for Civil Air Patrol Pilots only. Web only event.

Directions: All training will be conducted at the Asheville CAP Squadron Headquarters Building, 120 Wright Brothers Way with flights originating and recovering at KAVL. This event is for CAP Pilots only. Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
